15. There is no difficulty about A Venkata Rao and A V Bhobala Sastri whose pay now remains what it was under the former arrangement. But as regards V Venkata Rao, G. Appa Rao, and C. Krishnamurti Rao, it will have to be decided whether they shd not be taken on the G.R.S. establishment on the salaries they were actually drawing before the incorporation of the Mun. Sect with it.

16. V. Venkata Rao was formerly getting Rs 80/-, Rs 60 as salary and 20/- as acting allce in connection with the posting of V Srinivasa Rao as agent. Now that Mr. Srinivasa Rao has been confirmed as Asst, V Venkata Rao would have been confirmed also as Manager if the old arrangement had continued. It would seem

head was to bring him down to Rs 70/- - the min salary of a 1st grade Clerk in the GPS. It would seem to be more equitable to take him on Rs 76 + 4 (personal allce), and to settle his place on the establishment list when-ever later on.

17. The case of C. Krishnamurti who has been getting Rs 35/- is exactly similar to Venkatarao's, and a salary of Rs 34 + 1 (per. allce) may be confirmed to him

18. G. Appa Rao has been getting the maxm pay of the 3d grade ~~as head of the maistries~~ and he may be confirmed on that.

19. The position of these clerks of the GPS in the establishment list will have to be considered and decided later

20. In this connection, attention is respectfully invited to the fact that in the recent inter-Branch changes, V Venkatar

Rao and Q Appa Rao have been transferred away from the G.R.S. Br. VII, and Ramanja and K Lakshmana Rao substituted for them. Now that the Muz Branch is an integral part of the G.R.S, frequent changes may have to be made in the interests of work, and would be very inconvenient if financial objections can be raised on the bases of a fixed scale for the establishment of that particular branch. Neither would it be always possible to post only clerks of a particular grade for duty there. In these circumstances it would probably be expedient to request the Comptroller to rest satisfied with the sanction of the entire G.R.S. establishment to the sanctioned scale, and not object to the internal

With reference to the Dewan's × observation dated 21st May 1910 that 'N.Venkat Rao's case appears to deserve further consideration and treatment' , I beg to say that it was my intention to have recommended him for special consideration, but at the time a n order was urgently needed to enable the clerks concerned to draw pay at all and I was afraid to delay the issue of orders by making a special recommendation in favour of Venkat Rao.

33 Since Venkat Rao's next increment is due now, the present seems to be a suitable opportunity to take his case into favourable consideration.

34 Venkat Rao's work in the Muzrai Department has already attracted the kind notice of the Dewan and I am glad to record that his work in the Translation Section of the General and Revenue Secretariat has also been satisfactory. He has been doing all work entrusted to him with considerable zeal and application and he made himself particularly useful during the marriage festivities in June 1910.

35 If the Muzrai Department had continued on its old basis Venkat Rao - who had been acting as Manager from 20-7-1907 and getting Rs.80 -- would have been confirmed as Manager on Rs.100 from 1-7-1909 when the permanent Manager was confirmed as Amildar.

36 But owing to the changes which were made in 1909 it was only from 1st February 1910 that he was put in the grade of Rs.70-6-100, retaining his salary o f Rs.80 made up of Rs.76 pay plus Rs.4 personal allowance.
